WORD OF THE DAY: Farouche

- 1. Unruly or disorderly: wild**
- 2. Marked by shyness and lack of social graces**

In French, *farouche* can mean "wild" or "shy," just as it does in English. It is an alteration of the Old French word *forasche*, which derives via Late Latin *forasticus* ("living outside") from Latin *foras*, meaning "outdoors." In its earliest English uses, in the middle of the 18th century, *farouche* was used to describe someone who was awkward in social situations, perhaps as one who has lived apart from groups of people. The word can also mean "disorderly," as in "farouche ruffians out to cause trouble."
