1:00 Bennington College

#### Friday, 10/12

8:30 Wentworth Institute of Technology

11:00 Endicott College

2:00 University of Maine @ Fort Kent

---

## WORD OF THE DAY: Slimsy

### Flimsy, frail

The reasons why some words flourish and others fall by the lexical wayside are often unclear, but what is clear is that *slimsy* is firmly in the latter category: it has very little current use. This doesn't have to stop you from using it though; *slimsy* is a blend of *slim* and *flimsy*, and its meaning should be pretty much apparent to your audience if you're careful with the context. The word was first used in the mid-19th century and was at its peak of popularity in the early 20th. Who knows? Maybe the 21st century will see its revival.

Merriam-Webster
