The State of Vermont allows you to register to vote online at <https://olvr.sec.state.vt.us/?ref=voteusa>, and you can register in person before and on the day of the elections. Once you are registered, you can use "My Voter Page" for information on where you can vote, your registration status, and more. The election takes place on Tuesday, November 6. WORD OF THE DAY: Superjacent

Lying above or upon: overlying

You're probably familiar with [adjacent](#), and if you guessed that it's a relative of *superjacent*, you're right. Both derive from the Latin verb *jacēre*, meaning "to lie." *Adjacent*, which is both the more popular and the earlier word (it first appeared in print in the 15th century, while *superjacent* turned up in the late 16th century), comes from *jacēre* and the prefix [ad-](#), meaning "near." *Superjacent*, on the other hand, was formed by combining *jacēre* with the prefix [super-](#), meaning "over," "above," or "on top of." In case you were wondering, *jacēre* descendants are also available for other possible configurations: [subjacent](#) means "lying below," and [circumjacent](#) means "lying near on all sides" or "surrounding."
