- =====
- **Senior Vision Checks** – All senior students must have their vision tested before graduation. Seniors should stop by the health office when you are free and we'll check your vision. The vision exam is quick and no appointment is necessary. If you wear contacts or glasses, please wear them when you stop in. Stop in and cross it off your list of things you must do before graduation – Thanks!
  - **Have you recently returned from a fabulous CVU trip abroad**, discovering new things about yourself and the world around you? Why not continue to learn new facts and customs while building relationships that cross the globe? It has never been more important to help build bridges beyond our state and country. Students have good language skills, their own spending money and a desire to experience the real "American School spirit" and way of life. They want to become a part of your family and do what you do. You can make a real difference for you, your student, family and community. Please consider hosting an exchange student with EF High School Exchange Year. For more information, please contact Jan Bedard at [gbedard920@gmail.com](mailto:gbedard920@gmail.com) or call [802-482-3494](tel:802-482-3494). [www.efexchangeyear.org](http://www.efexchangeyear.org)
