

CVU hosts Chittenden County's Spring College Fair

The 17th Annual Spring College Fair at Champlain Valley Union High School in Hinesburg is happening this year on **Monday, April 3**, from **11:30 – 1:30 PM**. College representatives from across the New England, Mid-Atlantic, and Midwest regions, and Canada will be available to speak with both students and parents.

Spring is the perfect time for Juniors to explore what is available. The Fair is a manageable size, and students and parents have the opportunity to talk directly with the college representatives who may be the same people who read their application in the Fall. Another benefit of the Fair is that our 9th and 10th graders begin to think about the broad range of colleges and set some preliminary college goals.

In our current economy it's especially important to research all the options available and to be well informed to become wise consumers. While the event is based at CVU we invite area students and parents to take advantage of this unique opportunity. We are excited to host the 9 area high schools that will be busing students in to attend this important event.

Representatives from schools that offer 4-year, 2-year, and 1-year certificate programs will be in attendance. The Fair is free and all students and parents from surrounding communities are welcome to attend. For more information call Garrath Higgins at 482-7137 or email ghiggins@cssu.org
