

CVU SUMMER CAMP 2009 COMMUNITY REPORT
123 9th graders made a successful transition to CVU! 750 students since 2002

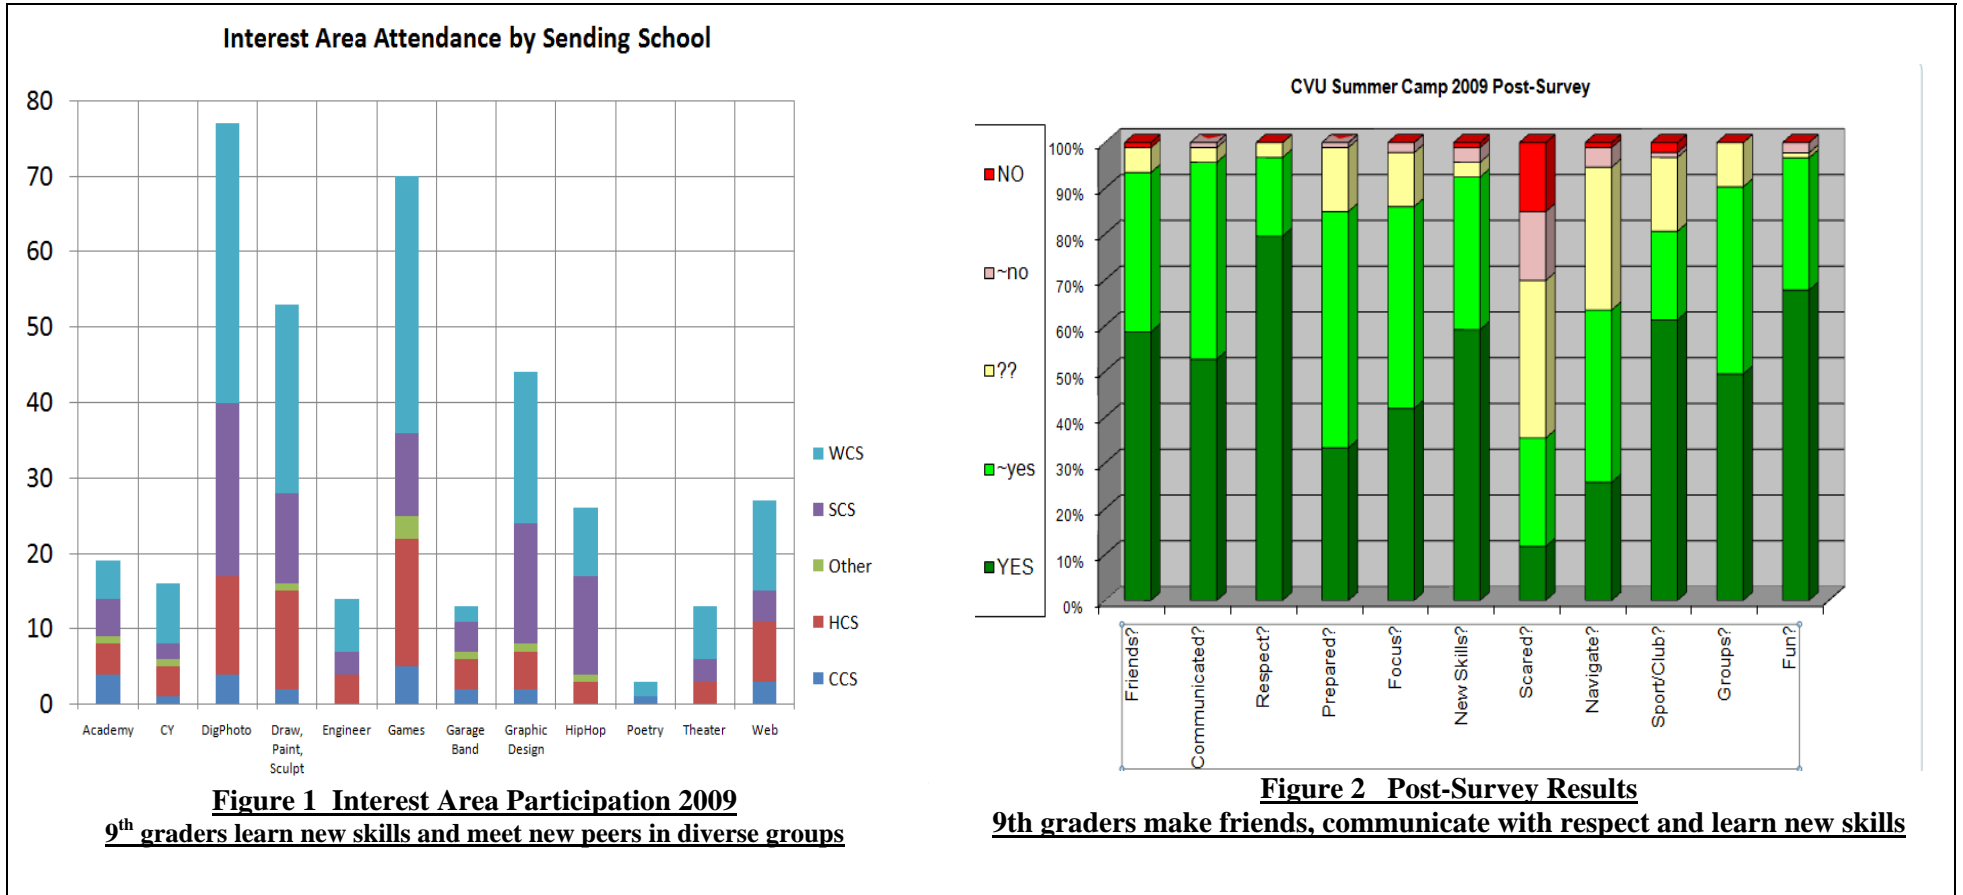

Campers develop learning strategies, utilize educational resources at CVU, and exercise respect towards peers, adults, and property.

Counselors develop job-related responsibilities & improve management techniques. >30 CVU students employed since 2008!

Participation Trends This year's Camp facilitated a learning community with approximately 1 in every 3 incoming 9th graders interacting with 20 current/former CVU students, four CVU staff, and an on-site director.

Figure 1 summarizes the 2009 enrollment for each interest area by gender and town. Every Camper chooses to participate in three interest areas which meet every day.

Figure 2 shows typical results for annual exit surveys. Campers are constantly encouraged to participate in a positive learning environment.

Support Scholarship Efforts & Generate New Learning Opportunities

The CVU Summer Camp provides equal opportunity to access resources at the high school. Since 2002 Camp has offered scholarships to families that request support. **Table 1** summarizes scholarship activity since 2002. Applications for scholarship sponsors are submitted annually to local organizations. Please help encourage sponsorship sponsors from school & business groups.
