How do I decide what to major in?

Let's talk about

ROI – Return on Investment

College costs money. You will most likely graduate with some loans that need to be paid off in the years following graduation*

There are 3 good reasons to take out a loan:

- to buy a car

- to buy a house

- to buy a college education

The only one that is guaranteed for life is your diploma!

* Even if you don't graduate, if you take out loans, you need to pay them off
